D.W. Morgan Company Expands Capabilities With New State-of-the-Art Fulfillment And Distribution Center

Silicon Valley-based facility enhances Morgan's service offerings for high-tech manufacturers

Pleasanton, CA, November 6, 2006— D.W. Morgan Company, the industry leader in supply chain consulting, transportation management and logistics services, has opened a state-of-the-art warehouse, fulfillment and distribution facility with dedicated logistics services into and out of the Silicon Valley and San Francisco. The new 31,000 square -foot San Jose, Calif. campus performs a wide variety of fulfillment, warehousing and distribution services.

“Increasingly, fulfillment distribution functions are becoming integrated with logistics,” D.W. Morgan CEO and Founder David Morgan said. “We’re dedicated to creating the best end-to-end supply chains for our high-tech clients. This location will allow us to perform remote order fulfillment, merge and hub goods—even act as a distribution partner or reseller. Together, these services add up to faster service to the product consumer and more flexibility to meet changing demand.”

The facility has a flexible workforce that can handle quarter-end peaks and a fleet of company-owned trucks to facilitate rapid movement of critical goods. To support its operations, Morgan has integrated its own proprietary ChainLinq

transportation management system (TMS) with such client systems as Oracle ERP. Morgan's systems can also interface with radio-frequency identification (RFID) and barcode hardware. ChainLinq's system can be customized to suit each of Morgan's customers to offer complete planning and manufacturing control and increased operational efficiencies.

Morgan's newest campus is conveniently located near three international airports at 1556 Montague Expressway, Suite 20 San Jose, CA 95131, Toll Free: 800-628-1321, Phone: 408.922.0497, Fax: 408.922.0145.

About D.W. Morgan Company:

Since its founding in 1990, D.W. Morgan Company has become one of the world's most trusted supply-chain consulting and transportation management firms. The company has provided services for a Who's Who of global Fortune 1000 companies, including Cisco Systems, Inc., Hewlett-Packard, Infinera, Kaiser Permanente, B.F. Goodrich, Advanced Fibre Communications (now a division of Tellabs), Lockheed Martin, Oracle, NCR, Molecular Dynamics and Philips Electronics. Morgan pioneered the concept of "whole-process management" for simplifying complex supply and demand challenges. Under this model, Morgan creates visibility for managers into every link in a company's supply chain—from procurement of raw materials to distribution of finished goods. With its innovation and expertise, Morgan dramatically improves efficiency and reduces costs for clients.

Morgan has earned widespread acclaim for its work with its clients. It has twice been named Cisco Systems Supplier of the Year, Diversity (2005, 2003); in 2004, it earned Computerworld Honors / Smithsonian Laureate status; was chosen for

The Morgan ball logo and name, "The partner solutions people," "Supply On Demand" and the ChainLinq logo and name are registered trademarks of D.W. Morgan Co. Other company and product names may be trademarks of their respective owners.
